Dru is the contact. She has been coordinating applications from the dams. Ex. 6 Personal Privacy (PP) If he needs to talk with someone in the interim he could call Susan or myself. thanks

Hi – I received a message this afternoon from the BOR asking who would be the best point of contact on the Grand Coulee Dam permit? He wasn't sure if it would be Dru or someone else. I thought I should check in with you and get back to him, but if you'd rather that I forward you the voice mail message, I can do that too. Thanks!

Jill
